

Deutsche Akkreditierungsstelle

Annex to the Accreditation Certificate D-PL-17774-01-00 according to DIN EN ISO/IEC 17025:2018

Valid from: 05.03.2020

Date of issue: 18.04.2023

Holder of accreditation certificate:

**I. F. I. Institut für Industriaerodynamik Gesellschaft mit beschränkter Haftung
Welkenrather Straße 120, 52074 Aachen, Germany**

The testing laboratory meets the requirements of DIN EN ISO/IEC 17025:2018 to carry out the conformity assessment activities listed in this annex. The testing laboratory meets additional legal and normative requirements, if applicable, including those in relevant sectoral schemes, provided that these are explicitly confirmed below.

The management system requirements of DIN EN ISO/IEC 17025 are written in the language relevant to the operations of testing laboratories and confirm generally with the principles of DIN EN ISO 9001.

Testing of fire and smoke protection systems

The testing laboratory is permitted, without being required to inform and obtain prior approval from DAkkS, to use standards or equivalent testing methods listed here with different issue dates. The testing laboratory maintains a current list of all testing methods within the flexible scope of accreditation.

This certificate annex is only valid together with the written accreditation certificate and reflects the status as indicated by the date of issue. The current status of any given scope of accreditation can be found in the directory of accredited bodies maintained by Deutsche Akkreditierungsstelle GmbH at <https://www.dakks.de>.
