# Annex to the Partial Accreditation Certificate D-PL-21563-01-01 according to DIN EN ISO/IEC 17025:2018

**Valid from: 03.11.2022**Date of issue: 03.11.2022

This annex is a part of the accreditation certificate D-PL-21563-01-00.

Holder of partial accreditation certificate:

quo data Gesellschaft für Qualitätsmanagement und Statistik mbH Prellerstraße 14, 01309 Dresden

The testing laboratory meets the minimum requirements pursuant to DIN EN ISO/IEC 17025:2018 and where applicable additional legal and normative requirements, including those set out in relevant sectoral schemes, to carry out the conformity assessment activities listed below.

The management system requirements of DIN EN ISO/IEC 17025 are written in the language relevant to the operations of testing laboratories and confirm generally with the principles of DIN EN ISO 9001.

Tests in the fields:

microbiological analysis of milk powder

The testing laboratory is permitted, without being required to inform and obtain prior approval from DAkkS, to use standards or equivalent testing methods listed here with different issue dates.

The testing laboratory maintains a current list of all testing methods within the flexible scope of accreditation.

This certificate annex is only valid together with the written accreditation certificate and reflects the status as indicated by the date of issue. The current status of any given scope of accreditation can be found in the directory of accredited bodies maintained by Deutsche Akkreditierungsstelle GmbH at https://www.dakks.de.
