

Deutsche Akkreditierungsstelle

Annex to the Partial Accreditation Certificate D-ZE-14169-01-04 according to DIN EN ISO/IEC 17065:2013

Valid from: 01.11.2022

Date of issue: 10.02.2023

This annex is a part of the accreditation certificate D-ZE-14169-01-00.

Holder of partial accreditation certificate:

TÜV Rheinland LGA Products GmbH
Tillystraße 2, 90431 Nürnberg

with its certification body

TÜV Rheinland LGA Products GmbH
Zentralbereich Zertifizierung
Am Grauen Stein 29, 51105 Köln

The certification body meets the minimal requirements of DIN EN ISO/IEC 17065:2013 and, if applicable, additional legal and normative requirements, including those in relevant sectoral schemes, in order to carry out the conformity assessment activities listed below.

The management system requirements of DIN EN ISO/IEC 17065 are written in the language relevant to the operations of certification bodies and confirm generally with the principles of DIN EN ISO 9001.

Certification of products, processes and services in the area of:

Personal protective equipment

This certificate annex is only valid together with the written accreditation certificate and reflects the status as indicated by the date of issue. The current status of any given scope of accreditation can be found in the directory of accredited bodies maintained by Deutsche Akkreditierungsstelle GmbH at <https://www.dakks.de>.

Annex to the Partial Accreditation Certificate D-ZE-14169-01-04

I. Personal protective equipment (PPE)

Regulation (EU) No 2016/425 (PPE Regulation)

Conformity assessments in accordance with

- Module B (EU type-examination)
- Module C2 (supervised product checks)
- Module D (quality assurance of the production process)

For the following products:

- Hand and arm protection
 - For use in potentially explosive atmospheres
 - Against cuts caused by hand-held chain saws
 - Against substances and mixtures hazardous to health
 - Against heat ≥ 100 °C
 - Against cold < -50 °C
 - Against mechanical risks
 - Against chemical risks
 - Against harmful biological substances
 - Against plant protection products (note: only plant protection products that are not substances and/or mixtures hazardous to health)
 - Protective gloves for motorcyclists
- Respiratory protection
- General personal protection (clothing)
 - Against substances and mixtures hazardous to health
 - Protective equipment for divers (including diving BCDs)
 - Liquid-tight protective clothing
 - Against cuts caused by hand-held chain saws
 - Against heat ≥ 100 °C
 - Against cold < -50 °C
 - Against mechanical risks
 - Against harmful biological substances
 - Against plant protection products (note: only plant protection products that are not substances and/or mixtures hazardous to health)
 - High-visibility protective clothing
- Life jackets
- Buoyancy aids
- Head protection equipment
 - Against mechanical risks (sports helmets in general, ice hockey helmets)
- Foot and leg protection equipment
 - Against substances and mixtures hazardous to health
 - Against heat ≥ 100 °C
 - Against cold < -50 °C
 - Against mechanical risks
 - Against chemical risks
 - Against cuts caused by hand-held chain saws

Valid from: 01.11.2022

Date of issue: 10.02.2023
